## GE Security Key Cabinets

The GE Security Key Cabinets combine convenience and security and is available in two locking types.

**Firstly**, the patented TouchPoint™ Pushbutton lock's entry code can be changed as often as you like to over a thousand different combinations.

Benefits:-

- Instant Access
- Industry Leading Heavy Duty 16 Gauge Steel
- Specifically designed for TouchPoint™ Pushbutton lock
- Slimline fit - TouchPoint™ Pushbutton lock does not limit space inside the cabinet
- Powder coated throughout
- Clutch Mechanism protects from forced entry

Never re-key locks again

Keys can hang directly on hooks

**Secondly**, available with key lock.
