

Specification Sheet

Phoenix Imperial Series

The Imperial Hotel Safe is designed to blend perfectly with any hotel or home bedroom.

The 0987 Safe is fitted with a high security electronic motorised lock that features a clear LCD display for ease of use.

The 0988 Safe has all the features as above plus credit card swipe which allows the user to open and close the safe using a standard credit card, which means no need to carry safe keys or remember codes.

Designed to accommodate wide screen laptops that are becoming increasingly popular.

Can be bolted to the wall or floor with bolts supplied.

Recommended for £1500 cash of £15,000 valuables. Please note that ratings are approximate and may vary due to area conditions and location. Please check with your underwriter.

Built of high grade steel with a quality paint finish which compliments the decor of any room.

- Economical answer to peace of mind for guests and staff alike.
- Battery Condition indicator
