

Specification Sheet

Phoenix Saracen Series

Designed to meet the need for a modern, compact, security safe for hotel, residential and business use.

The Saracen is fitted with a high security electronic motorised lock that features a clear LCD display for ease of use.

Attractive, unobtrusive and simple to use with its advanced "user friendly" digital lock. It offers discreet protection in any situation.

The advanced design complements any home or business and disguises a spacious interior.

This Safe is recommended for a cash risk of £1500 or valuables risk of £15,000.

Ratings are approximate only and may vary due to area conditions and location. Please check with your underwriter.

Ready prepared for floor fixing - bolts supplied.

Supplied with fixing kits for wall and floor fitting.

- Body constructed from galvanised steel plate.
- Door constructed from solid steel 5mm thick.
- Highly secure electronic lock giving many millions of potential combinations.
- LED shows power and security status and a tone alert is audible.
- Ant-Tamper lockout system on code entry
- Suitable for fixing to wall and floor.
- 2Years unconditional guarantee on labour and parts.
- FREE, 24 hour locksmith emergency service (UK only).
